Come celebrate Earth Day 2021 at historic Fort Sisseton. Take an Incredible Journey through the water cycle. Ever observe a Wood Frog? Walk through the Critter Zoo and see some of the incredible wildlife found in northeast South Dakota. Build a bird feeder made out of recycled bottles, plates, and cans! Take a pollinator seed ball home to plant for bees and butterflies! Make a plaster cast of your favorite bird or mammal footprint or make a print of your favorite fish! Activities will be moved inside if inclement weather!
