

Location: Marshall County, 2 miles north of Lake City, SD.

Directions: From Hwy 10 take 440th Avenue 3 miles north.

Isabelle Lake is a small undeveloped lake accessible to the public thru the USFWS Waterfowl Production Area located along the southwest corner of the lake. A small parking area is located along 440th Avenue. There is no approach so you must drive thru the ditch which may not be possible with a passenger car with low clearance. No dock or restroom facilities, boats must be carried approximately 50 feet from the parking area to the shoreline. Partially wooded shoreline with some adjacent native prairie. The lake is just over a mile long from end to end.
